Alas, a SKINNER girl marg!

May 24th, 2011 | Author: [TheSkinnyBuzz](#)

For all you ladies who thought the [Skinny Girl](#) margarita was God's gift to the world (including myself), I have news for you. What if I told you that there is a ZERO calorie, ZERO sugar alternative to [Bethenny Frankel](#)'s 100-cal, 100% all-natural, lightly sweetened with agave nectar, deliciously-tasting cocktail? Would you believe me?

I wouldn't have believed me either, don't worry.

But with summer in full swing and the margarita being a staple in any lady's summertime cocktail queue, this is a must know. Saving you up to 500 calories, the punch any typical margarita can pack, [Zilch](#) lightens up your happy hour in just one serving-size packet. Keep a stash in your purse and whip it out at your next BBQ or cocktail party – simply add it to water with a splash (or in my case a handle...j/k) of tequila, and you've got yourself a kickin' cocktail AND waist-friendly solution to summertime drinking. Which we all know (from experience I'm sure) if the sun's shining, sand's between your toes, corn-hole is in full swing and some nice eye candy is on the beach, summertime drinkin' can possibly go a little further than you'd like

The best part is? Zilch is cheap! [Buy](#) 10 for \$5 at [zilchmixers.com](#). Not a margarita girl? No worries – they have sugar- and calorie-free [daquiri](#) mixers too!

You can thank me later. Happy summertime skinny sipping
